ΑΠΟΡΡΥΠΑΝΤΙΚΑ ΕΠΑΓΓΕΛΜΑΤΙΚΗΣ ΚΑΙ ΟΙΚΙΑΚΗΣ ΧΡΗΣΗΣ

Our philosophy....

BIAROM is a cleaning products industry based in Thessaloniki. It activates in this field since the late 80's and the purpose of the company is the production of high quality hygiene and cleaning products for professional and domestic use with respect to consumers and environment.

Nowadays, since the demands of life are becoming greater, BIAROM is dynamically advanced in the field of hygiene, focusing on the production of innovative products and the excellent service of its customers.

According to the basic rules of hygiene and creating new revolutionary and effective products for a cleaner and healthier space, BIAROM combines flexibility, adaptability, quality and the chance to choose many cleaners at affordable prices.

The scientific staff of our company works daily for the check of the produced products, the assurance of their quality, as well as the creation of new recipes according to the needs of the European market.

The company's products have been tested for years by the most demanding and experienced professionals in the field of cleaning and mass catering.
